“Go Green to Get Green” and earn cash incentives

Healthcare Bluebook is an online tool that can help you better understand what you should pay for healthcare procedures, as well as find providers offering fair prices in your area. Healthcare Bluebook is a free service, and is easy to find through your member website, www.meritain.com.

Within the Healthcare Bluebook tool, providers are listed as **green**, **yellow** or **red**. Your employer offers incentives for certain healthcare services when you visit a “green” provider. That’s because “green” providers offer high-value services, at or below the Fair Price, providing you the most value for your healthcare dollar.

When you visit “green” providers for the following healthcare services, you’ll earn a cash incentive:

Procedure	Incentive	Procedure	Incentive
Most CT scans	\$25	Lithotripsy	\$50
Most MRIs	\$25	Removal of adenoids	\$50
Transthoracic Echocardiogram (TTE)	\$25	Sleep study	\$50
TTE with doppler	\$25	Tonsillectomy	\$50
Cataract surgery	\$50	Colonoscopies	\$100
Cholecystectomy (laparoscopic)	\$50	Knee arthroscopy	\$100
Ear tube placement (tympanostomy)	\$50	Shoulder arthroscopy	\$100
Heart perfusion imaging	\$50	Upper gastrointestinal endoscopies	\$100
